

N-FOCUS INTERIM RELEASE - May 9, 2010

The following changes have been made to N-FOCUS.

CHILDREN AND FAMILY SERVICES CHANGES

CFS PROGRAM CASE

- You will now be able to close CFS program cases with more than one living arrangement.

ECONOMIC ASSISTANCE CHANGES

STANDARDIZED NARRATIVE

- Improvements were made in the new Standardized Narrative to improve performance issues.

SNAP CERTIFICATION RULES

- Changes were made in the certification rules.
 - You will now be able to add the new application dates when reopening SNAP cases with a TBR budget
 - Expedited FSP alert will no longer be created in this situation

TIPS

PREGNANT WOMAN

- Add the pregnancy to the pregnant woman
- **DO NOT PEND the unborn in any program case**
- **DO NOT ADD or REOPEN an unborn in the Case Maintenance Task**

Emergency Alien Coverage

- Create a Retro MED program case for the month the State Review Team approved eligibility. The ineligible alien mother should be the only participant in the Retro MED program case.
